26          This matter has come on before the Court upon Motion of the Relator, Sheila Reiber,  
27          who requests an additional 60 days to serve Defendant with the Complaint.

28          This Court issued an order requiring Relator to serve Defendant with the Complaint. By  
29          operation of Fed.R.Civ.P. 4(m), Relator has 120 days from that June 10, 2011 Order. That time  
30          would expire on October 10, 2011. Rule 4(m) also allows this Court upon a showing of good  
31          cause to extend the time for service. Relator's counsel declares that Relator has been diligent in  
32          seeking counsel but has been delayed through no fault of her own. Good cause exists where  
33          Relator has made diligent efforts.
